DETAILED ACTION

Allowable Subject Matter

1. Claims 16-21 are allowed over the prior art.
2. The following is an examiner's statement of reasons for allowance:
 - a. Applicant disclose an invention to provide a literary work royalty meter rate accounting method by which a royalty based on the frequency of use of literary works distributed through a communication circuit is imposed on a customer. Applicant's invention is novel and innovative in the sense that it provides a literary work accounting method selling a right of use of literary works to a customer, and an accounting method imposing a royalty for the literary works on the customer in accordance with the number of times of use, the hour of use or the amount of use of the literary works by the customer. Furthermore, Applicant provide a method of enciphering and transmitting use right frequency information for limitation of at least one of number of times of use, and hour of use and an amount of use of the literary work to one of said customer terminal apparatuses.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
